- 1. Community Living Standards.** All residents are expected to comply with established standards of community living, including maintaining adequate standards of personal hygiene and room cleanliness to avoid interference with the general comfort, safety, security, health, or welfare of the community or a resident's roommates. Any personal safety or welfare issues should be brought to the attention of management; any resident forcing or attempting to cause another resident to leave his/her own residence may be subject to termination.
- 2. Dangerous or Disruptive Activities.** Activities that endanger residents and/or the community are strictly prohibited, including but not limited to being on roofs, climbing from windows and scaling or rappelling from outside walls or balconies, improper use of security doors or interfering with the locking of any door, throwing objects from windows or balconies, playing sports or participating in similar outdoor activities indoors or from balconies, or any violent, threatening, belligerent, or unlawful acts.
- 3. Drug- and Crime-Free Policy.** As provided in detail in the Housing Agreement, any drugs, drug paraphernalia or criminal activity, by a resident and/or guests, will be considered a material breach by the resident of the Housing Agreement and may subject the resident to immediate termination.
- 4. Maintenance.** Service calls will be performed during normal work hours as specified in the Housing Agreement, except in the case of a legitimate property emergency. All service calls must be reported to the management office by telephone, in person, by e-mail to live@redpoint-westlafayette.com or by submitting an online work order through the "Residents" link at <https://redpoint-westlafayette.com> (preferred). Maintenance technicians employed by management are not authorized to accept any individual requests without the request being submitted as a normal work order through management. Service calls will generally be performed on a first come, first served basis with priority given to those requests that may constitute a hazard or create significant discomfort for the resident(s). Residents are expected to report maintenance or facility concerns promptly and may be held responsible for damage or utility charges for failure to report issues within a residence.

- 8. Locks and Keys.** Each resident will be given one key to the assigned residence. One mailbox key will be distributed per residence. These keys must be returned to management upon vacating the premises. If a resident is locked out of a residence, management will unlock the door (upon resident presenting photo ID) during office hours at no charge for the first instance; additional or after-hours lockouts will be charged to the resident at \$35 per instance. Replacement of a lost or not returned key will be charged to the resident at \$80 each. No locks may be changed or added to any doors without management's written consent.
